Ref: Mine Plan Text Revisions and Additions for Federal Lease  
(U024318) Addition, Co-Op Mining Company, Bear Canyon Mine,  
ACT/015/025, Emery County, Utah

Attached are four copies of Co-Op Mining Company's revised text and plates for the proposed Federal Lease addition. Please incorporate these changes in your existing copies of the mine plan. Eight complete copies of the plan have also been forwarded to DOGM, with this letter for distribution to the appropriate Government Agency. Please distribute the copies as soon as possible and contact me if I can be of assistance.

It is important that the review be completed so that required permits can be issued and mining can begin in the expansion area. Thank you for your cooperation in this matter.
